<p>English Spoken Language</p>	<p>Listens appropriately to adults and their peers, identifying what the speaker is saying and how the speaker is saying it, and responds accordingly with specific comments, ideas and challenges.</p> <p>Uses a range of question types for different situations and purposes, e.g. leading, rhetorical, and hypothetical.</p> <p>Demonstrates how and why vocabulary choices vary in different contexts and evaluates the effect of their own choices and that of other speakers.</p> <p>Articulates, sustains and justifies their answers, arguments and opinions logically with more detailed evidence or reasoning, making connections between their opinions and that of others.</p> <p>Sequences and develops descriptions, explanations, and narratives coherently, choosing details, vocabulary and grammatical structures for specific effect.</p>		

Sustains their own listening and can debate an issue logically using discursive language and responding effectively in increasingly extended turns, to the opposing view.

Uses a wide range of speculative, hypothetical and explorative language to help process and clarify their ideas.

Speaks audibly and fluently using a wide range of sentence structures and confidently communicating in a range of different situations.

Makes considered choices about how they present information to a specific audience, ensuring intonation, tone, volume and expression suit the context and that literal and implied meaning is clear; uses a range of simple dramatic effects to enhance or adapt a character and sustain the role.

Uses a range of verbal and non-verbal techniques to capture, regain or sustain a listener's attention, demonstrating that they recognise the needs of the listener.

Considers and evaluates different viewpoints, attending to and building on the contributions of others constructively.

Selects and uses the appropriate registers in a range of situations and contexts, using formal and Standard English when required.

These skills will be applied through:

Whole class reading; comprehension; Read Aloud; Think Aloud; teacher modelling intonation and expression; rehearsing and reciting; public speaking; play scripts and productions; church recitals; Read Write Perform; Pupil Prime Minister; levelled questioning in lessons; rehearsing and composing sentences; weekly spelling dictation; conferencing; Branching Out; teacher-peer-class questioning; formal speaking for debates; filming scripts; daily conversation in ELSA time; responding to class instruction; speculating, hypothesising and imagining ideas; planners to develop ideas; participate in games led communication; effective registers for different scenarios; talk at home prompted by newsletters, knowledge mats and Seesaw; precise work in reading; justify answers in lessons.

<p>PE</p>	<p>Cross Country - Pupils will learn the correct ways to run for a long distance event such as cross country. I.E focusing on their breathing and maintaining a level of pace for a lengthy run.</p> <p>Football – Pupils will all be able to explain the rules of the game. Children will be drilled in their dribbling passing and shooting before being put into small sided games following FA guidelines to put the skills into practice. Gifted and talented pupils will develop tactics on attacking and defending</p>	<p>Tag rugby – Pupils will learn to develop their handling, tackling, attacking and defending skills through drills. Pupils will then extend this into small sided games. Pupils who excel will demonstrate appropriate positioning and tactics to cause a problem for the opposition.</p> <p>Netball – Pupils will be drilled in different pass and shooting techniques. They will then look to bring these positioned based game scenarios. Pupils will be able to choose the most effective tactics in games and plan their approach to attacking and defending.</p> <p>Pupils will be coached in moving the ball swiftly as this will cause the opposition a problem in games.</p>	<p>Kwik Cricket – Pupils will learn how to bat bowl and field through various drills following ECB guidelines as well as the basic rules for scoring. They will then look at implementing this into six a side cricket games.</p> <p>Rounders – Pupils will be drilled in batting and fielding. Pupils will then implement these into games of Rounder's.</p>
<p>Pupils by the end of KS2 will be able to: Use a different range of shots and strokes to strike a ball Use a variety of techniques to pass. Follow and understand rules of each sport covered Throw and catch a ball with control and accuracy Gifted and talented pupils will be able to successful demonstrate and lead a warm up as well as team teach other peers by evaluating and demonstration as well as developing tactics and strategies what can be used in game scenarios.</p> <p>Extended Activities: <u>Swimming</u> All Students in KS2 will take part in 18 weeks of swimming carried out at Worksop leisure centre delivered by their swimming instructors. By the end of year 6 children will be able to swim competently, confidently and proficiently over a distance of at least 25 metres Be able to use a range of strokes effectively (front crawl, backstroke and breast stroke). They will also work towards being able to perform a self-rescue in different water-based situations (at least 80% will complete this)</p>			

	<p><u>Fun fit</u> Children with poor fine motor skills/ balance and co-ordination skills will be taken in small groups in assembly time to work on developing these. Activities will include yoga; mini gym sessions and games e.g. Walk the Plank and Monkey, Monkey.</p> <p><u>Gifted and Talented</u> Pupils who have been identified as being gifted and talented in P.E will be given an extra session on a Wednesday afternoon to develop their skills with more advanced drills. This time will also be used to prepare pupils for sporting tournaments and games against other skills to help us achieve the best results.</p>
