		Catherine Garrett to monitor staff absence related to COVID-19. Seek advice from your HR provision if required for staff absences.											
Pupil displays symptoms of COVID-19 whilst at school.	Employees, pupils, contractors and visitors may be exposed to COVID-19.	Staff able to recognise key COVID-19 symptoms in pupils. The Government stay at home guidance MUST be followed if pupils become unwell with: <ul style="list-style-type: none"> • A new continuous cough, • A high temperature, • or; • A loss of or change in their normal sense of taste or smell (anosmia). Staff should immediately advise the office and then the symptomatic child will be moved to the isolation room which is the room behind the hall which is used as the isolation area until parent arrives for collection. Please use discretion to avoid panic and awareness of other children. A thermometer is kept in the first aid room which should be used if you suspect a child has a temperature, take the child's temperature before moving to the isolation room. After use clean the thermometer and return to the first aid room.				NHS guidance relating to coronavirus symptoms is available at: https://www.nhs.uk/conditions/coronavirus-covid-19/symptoms/ Staff to be informed of the key symptoms of COVID-19 and procedure for dealing with symptomatic pupils / other individuals via staff meetings, e-mail. Parents provided with information about key symptoms via posters displayed around school and on the school fence, COVID-19 newsletter page on the school website. Informed of the requirement to keep pupils at home if presenting with symptoms of COVID-19 and to contact NHS 111 for advice. Symptomatic individuals must self-isolate for at least 10 days and should arrange a test to determine if they have COVID-19. Other members of their household (including any siblings) should self-isolate for 14 days from when the symptomatic individual first had symptoms. The government stay at home guidance is available at: https://www.gov.uk/government/publications/covid-19-stay-at-home-guidance Robert Bramall – Site Manager will be responsible for setting up the isolation area. The following elements MUST be included (wherever possible); <ul style="list-style-type: none"> • A room with a door that can be closed • Supervision provided for pupil(s) in the isolation area. 							

Hazards Considered Step 1 (Clause 3.1)	Who might be harmed and how Step 2 (Clause 3.2)	Existing Control Measures: Step 3 (Clause 3.3)	Risk Rating			Actions Step 4 (Clause 3.4)			Risk Rating

Staff experience violence, verbal abuse and aggression from parents / pupils / visitors / contractors / members of the public.	Staff and pupils may suffer stress, anxiety and physical injuries (cuts, bruising, fractures) if abusive incidents occur.	Adequate supervision and awareness of pupil behaviours at all times. Staff received Coping with Risky Behaviours (CRB) training as necessary. Awareness of safeguarding pupils reporting procedures and designated safeguarding officer. Parents / visitors / members of the public informed that abusive behaviour will not be tolerated.	Green	Yellow	Green	Nottinghamshire County Council personal protective equipment (PPE) guidance for schools and other educational settings during the COVID-19 pandemic guidance is available and will be implemented. The guidance document is available via: https://www.nottinghamshire.gov.uk/education/school-holidays-and-closures/back-to-school/coronavirus-and-schools-nottinghamshire-ppe-guidance							
Staff experience verbal abuse or aggression from Wellworker as "physical violence" or "verbal abuse or threat". Wellworker can be accessed via: https://notssc-safety.oshens.com/login/default.aspx?ClassicSession=clear&CountrySet=true			Green	Yellow	Green	All incidents where staff experience violence, verbal abuse or aggression MUST be reported on Wellworker as "physical violence" or "verbal abuse or threat". Wellworker can be accessed via: https://notssc-safety.oshens.com/login/default.aspx?ClassicSession=clear&CountrySet=true							

Consider if any additional hazards are created and control measures are required if this activity is undertaken in non-routine or emergency conditions

Review Date (Step 5):

Assessors Signature:  Date: 8-3-21. Authorised By:  Date: 8-3-21

Potential Severity of Harm	Likelihood of Harm Occurring		
	Low (The event is unlikely to happen)	Medium (It is fairly likely it will happen)	High (It is likely to happen)
High (e.g. death or paralysis, long term serious ill health)	Medium	High	High
Medium (an injury requiring further medical assistance or is a RIDDOR incident)	Low	Medium	High
Low (minor injuries requiring first aid)	Low	Low	Medium

Risk Definitions	
Low	Controls are adequate, no further action required, but ensure controls are monitored and any changes reassessed.
Medium	Consideration should be given as to whether the risks can be reduced using the hierarchy of control measures. Risk reduction measures should be implemented within a defined time periods. Arrangements should be made to ensure that the controls are maintained and monitored for adequacy.
High	Substantial improvements should be made to reduce the level to an acceptable level. Risk reduction measures should be implemented urgently with a defined period. Consider suspending or restricting the activity, or applying interim risks controls. Activities in this category MUST have a written method statement/safe system of work and arrangements MUST be made to ensure that the controls are maintained and monitored for adequacy.
